

**Case Study – Private apartment,  
Hampstead**

**Brief** – Client required a rapid design and fit-out for his apartment located in a secure mansion development. While the client was out of the UK he transferred funds to Spacedesign to facilitate the selection of furniture and the organisation of sub-contracts, placing of purchase orders, arrangements for deliveries. Spacedesign set-up contracts and programmes and carried out “day to day” supervision of all trades including decorators, joiners, carpet layers and cable installer contractors to provide a total design service including the purchase of all soft furnishings, bed linen, crockery, kitchen equipment etc.

**Scheme Design** – Simple furnishings with neutral back ground decoration. Furniture and fittings purchased from Liberties, London.
